EXPERIENCE

Software Developer Intern Jun 2024 - Aug 2024
ScrollAR4U Technologies Pvt. Ltd. *Bathinda, Punjab*

- Developed an e-commerce website for AR-based educational books using React and Tailwind CSS.
- Implemented Firebase for authentication, backend services, file storage, and integrated payment gateway and courier services.
- Collaborated with the team to enhance product features, software design, and testing, gaining experience in project management and agile methodologies.

Software Developer Trainee Jun 2023 – Aug 2023
Infowiz Software Solutions *Bathinda, Punjab*

- Gained experience in React and Tailwind CSS through hands-on development and contributed to improving application functionality.
- Developed a personal portfolio website showcasing projects, demonstrating skills in React, Tailwind CSS, and responsive web design.

PROJECTS

ScrollAR4U Books | *React, Tailwind CSS, Firebase, Razorpay, Shiprocket* Present Created an innovative e-commerce platform allowing users to purchase AR-enhanced educational books.   Integrated Razorpay for payment processing and Shiprocket for logistics, ensuring seamless transactions and delivery.   Utilized Firebase for user authentication and data storage to enhance platform functionality and user experience.

Shopper | *React, Tailwind CSS, Node.js, Express.js MongoDB*

- Developed an e-commerce website using the MERN stack, implementing secure authentication with JWT and using hashing with bcrypt.

Personal Portfolio | *React, Tailwind CSS*

- Built a personal portfolio website to showcase my skills and projects, using React and Tailwind CSS for responsive and modern design.
